## DEFINITION GUIDE FOR THE SET SUBJECTS 2024-25

### **Bicycle / Motorbike Parts - PDI - 15th October**

Try taking different angles or individual Parts to create an image that stands out

### **Black and White or Contre-Jour - Print - 19th November**

This is a two-in-one, your choice is a beautiful Black & White or try finding that wonderful Contre-jour (having the sun or other light source behind the subject.)

### **Canals and Locks - PDI - 10th December - Zoom meeting**

There is plenty of opportunity to take some wonderful scenery of the Canals and the gates called Locks

### **Broken - Print - 14th January**

To separate into two or more pieces, not just cracked but broken pieces

### **Reflections - PDI - 28th January**

This can reflect any reflection

### **Industrial / Industry - Print - 18th February**

Industrial means use in a factory or heavy industry and Industry means to use in a business, eg, machinery.

### **Streetscape - PDI - 25th March - Images to be taken on a mobile phone**

A broad term to mean everything that makes up the scene on a street. The typical elements include the road, buildings, sidewalks, street trees, streetlights, benches, trash receptacles, and adjoining open spaces. Can it include people, I would say a few?

### **Literature - Print - 15th April**

Try and come up with an image from a book a poem or a line from both

Now get out your camera and be creative.
